

## Features

### THE ULTIMATE WORSHIP MUSIC SOLUTION

The HT-400 Hymnal Plus has many new features designed to make worship a truly moving musical experience.

- **Large backlit colour LCD touch screen** for ease of use and intuitive operation, even in the dark.
- **Over 200 purpose-designed sounds**, including superb Pipe Organ combinations with separate pedal presets, stunning Acoustic Piano, rich Orchestral Strings and exciting Drum tracks.
- **Hundreds of preset musical styles**, from simple organ to full orchestra. Apply any musical style to any tune.
- **Infrared remote-control handset** included.
- **Hymn Search facility** – find tunes by any part of the first line, title or tune name.
- **Playlist facility** – plan and store all the items for a service in advance.
- **Video Display Output**. Display your own song lyrics\*, prayers, images etc via a projector or monitor screen. Song lyrics auto-advance as the HT-400 plays the music.

## Options

**Extra repertoire.** The HT-400 is supplied with a vast range of traditional and contemporary tunes, along with some Taizé chants, popular mass settings, plainsong and other service music. However, a key design feature of the HT-400 is its upgradeability both now and in the future. Additional tune repertoire is available to purchase right away. Further upgrades are introduced as new book titles are published and gain popularity. Even bespoke, one-off recordings can be commissioned if required.

**Psalm Player** interactive psalm and canticle accompaniment feature. Now anyone familiar with psalm pointing can accompany the singing of psalms and canticles.

**Rechargeable Battery Pack** for use on the move, provides several hours of use on one charge.

**Semi-Rigid Carry Case** provides lightweight protection for the HT-400.

**Short Qwerty Typing Keyboard** makes text entry easy – and fits into the optional carry case.

# The ultimate worship music solution

**HymnalPlus®**  
**HT-400**

# HymnalPlus®

## The HT-400 Hymnal Plus

from Hymn Technology takes music accompaniment for worship to a whole new level. Straight out of the box the HT-400 plays thousands of traditional hymns and modern worship songs (the standard repertoire includes over 2750 recordings). Want something else? You can play any tune you like using the built-in MP3 and MIDI players.

The HT-400 features a large backlit colour LCD touch screen for ease of use and intuitive operation. The HT-400 is light and mobile and has built in speakers, perfect for planning a service, outreach or home group.

Plug it into a suitable amplification system and you'll be amazed at the sound quality.

## Easy to operate

Just plug in and play. Although technically advanced, you don't need any musical or technical knowledge to operate the HT-400 Hymnal Plus.

### SIMPLE 4 STEP OPERATION

- 1 Plug it in and turn it on
- 2 Press the PLAY tab
- 3 Select your hymn, key-in the hymn number and press ACCEPT
- 4 Press START to play the music

You can easily change the number of verses, add an introduction, change the speed or pitch, even alter the length of pause between verses – all at the touch of a button.

Existing Hymnal Plus users praise us for our easy to follow, step by step instruction manual. It doesn't contain jargon and it couldn't be simpler.

## Create your style

The HT-400 is designed to accompany the singing of all kinds of worship music. Choose from hundreds of preset musical styles – everything from simple piano or organ to a full orchestra or worship band.

### ORGAN

The 35 preset pipe organ styles range from simple, quiet sounds to the full sound of the mighty cathedral organ. Drawbar organs and harmonium are also available.

### ORCHESTRAL

Piano, harpsichord, orchestral strings, together with the full range of orchestral instruments.

### COMBINATION

Mixtures of instruments such as piano with orchestral strings, organ with orchestra, string quartet, brass band etc.

### RHYTHMIC

Combination styles with drum rhythms, such as contemporary music group, marching band, calypso band etc.

You can also add a sparkling drum track to any style of your choice, enabling you to use the HT-400 to complement an existing church music group.

## Latest technology

Don't be fooled by its simplicity. The HT-400 Hymnal Plus is packed with the latest technology, including over 200 purpose-designed instrumental sounds from which to choose.

Plan and store services in advance. Using the Playlist function, you can plan and store all the music for a service in advance. There's no limit to the number of tunes you can store in a playlist, and you can create a different playlist for every service.

Display lyrics and slides. Connect the HT-400 to a projector or monitor screen and display your own song lyrics\*, prayer texts, church notices and images.

\* Lyrics are not supplied

## Convenient book indexing

You can find any available tune by looking in the supplied A-Z Master Index book, or by using the onboard Hymn Search facility. However, for added ease of use, we've indexed the repertoire to a number of

the most widely-used hymn books (varies by region). If your church uses any of these then, after choosing the appropriate book index, you can select tunes just by tapping in familiar hymn numbers.

From a simple pipe organ to a full orchestra, from well-loved standards to modern rock, in a room or a hall the HT-400 will perform beautifully time after time.
